November 2018 Newsletter

Children in Need

On Friday 16th November we will be supporting Children in Need. The children have decided to have a 'Dress in Spots' day which means the children can pay £1 to wear any kind of spots!!!

Attendance

We are striving to continually improve our attendance and punctuality. Towards the end of last year there were a lot of requests for leave to go abroad. These absences are **unauthorised** and your child may lose their place in school. **Every day matters in your child's learning.**

Please consider this very carefully when you are thinking about taking your child out of school for a period of time. This term we are running a campaign which could lead to parents being fined or prosecuted.

Y5 Space Centre Trip

On Wednesday 28th November the Year 5 class will be visiting the National Space Centre in Leicester., where the children will have the opportunity to discover galleries including the Iconic Rocket Tower and the UK's largest domed planetarium.

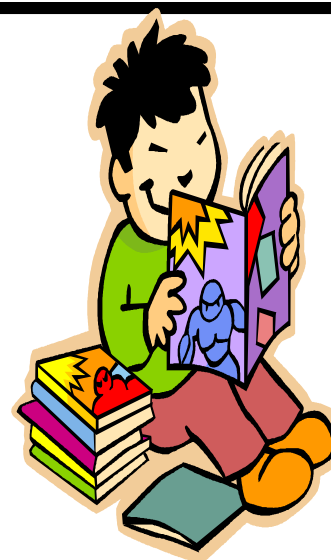

Parent Consultations

Thank you to all the parents who attended parent consultations last week. It is always a good opportunity to share your child's success, talk about their targets and discuss any concerns you may have.

Book Fair.

The Scholastic Book Fair will be in school from Monday 19th November until Thursday 22nd November. This will take place at 3pm to 3.30pm each day. Please come along and buy a book for your child. Don't forget that a percentage of all the money taken goes towards buying books for your children to use in school.

Look forward to seeing you there!

Harvest Assembly

Thankyou for all of your generous contributions of food for our Harvest Assembly. Those people who were nominated by a pupil will have received a food parcel. All of the other contributions were donated to 'Birmingham City Mission' in Birmingham.

Times Tables Rock stars

Well done to all the children who are now regularly practicing their times tables at home using the new online resource. Please encourage your children to practice as this is already having an impact on their learning in Maths. We will be giving out certificates to those who make the most progress in our achievement assemblies.

Attendance Winners

Week 5 - Year 3 99.67%
Week 6 - Year 6 100%
Week 7 - Year 5& 6 99.68%
Week 8 - Year 2 98.33%

Well done Year

6!

Keep up the good

Poppy Appeal.

Thank you to all the children who bought a poppy or a remembrance wristband last week. We have been thinking about why we wear a poppy in our assemblies and all the children have contributed to our display celebrating 100 years since the end of WW1.
