Attendance

Please can I remind all parents that doctor and dentist appointments should be made out of school time. It is really important that your child attends school every day to ensure that they reach their full potential and do not have gaps in their learning.

Date for your Diary!

Parent Consultations will take place in the week of 16th March. A letter will be sent out nearer the time regarding making your appointments at the School Office.

Year 6 SAT's workshops for Parents.

There will be a series of 5 workshops for parents on how to support your children with their SAT's revision and practice. These will take place on Tuesday 11th February, 3rd March, 10th March, 17th March and the 24th March.

These sessions will allow opportunities for you to work alongside your child and help them at this very important time in Mathematics, reading and grammar.

Please come along !!

Twitter.

Can I please encourage all parents to follow us on Twitter.? If you do not have a Twitter account it is very simple to set one up. The account shows lots of examples of the children's exciting work and learning that are doing on a daily basis - join up and have a look!

World Book Day

World Book Day is on Thursday 5th March. In school we will be reading all our favourite books and having a special assembly ! If your child has a favourite book or a book they are enjoying please ask them to bring it in that day. They can also dress up as their favourite book character too!

Sign to Sing

On 26th February the whole school will take part in 'Sign to Sing' where they learn a song in sign language. The children then sing this at the same time as lots of other schools around the country to raise money for Hearing Impaired children.

Sport Relief.

This year Sport Relief is during the week of Monday 9th March. The children will all be taking part in a range of sporting activities. They will be able to come in wearing sports kit (look out for when it's your classes turn). We will also be doing fitness in class and watching videos about healthy lifestyles and keeping fit.
