### **Pupil Reports.**

This year we are sending out your child's school report by e-mail. We will be using the e-mail address you supplied us with for ordering school meals. If there has been any change it is essential that you let the office know as soon as possible.

The reports will go out from Monday 5th July over 3 days and this will happen class by class. Therefore, if you have children in different classes you may well receive them on different days. Please do not call the office to find out when you will receive it.

Please remember to complete your parent questionnaires which will be sent out in the next week. Your feedback is really important to us in order for us to work together to continue to improve our school.
