'Congratulations to all of Year 6'

'Congratulations' to all of our Year 6 children. The children worked extremely hard this year in what has been a very difficult year. I wish you all the very best in your new schools and I hope that you will all continue to work as hard as you have done at Redhill! Well done !

Eid Mubarak

I would like to wish all our families who are celebrating this week a peaceful and happy Eid Mubarak. I hope that you all can have a little bit more normality to your festivities with friends and family this year.

‘Joyning the Learning.’

Our ‘Joyning the Learning’ projects have been a little different this year. Usually parents come into school and are wowed by the children’s learning as they tour the classrooms. Due to social distancing restrictions this year, the children have prepared something for parents and each class will upload something on the Redhill School website. The children love sharing their learning with you all and we hope that you enjoy it as much as they do.

Well done to them all!!

You can find this on the **EVENTS** section on the website. Enjoy !!

Attendance

Next year we will be returning to tracking and monitoring attendance on a daily basis. We will be re-introducing Fast Track in September in the hope that attendance will significantly improve with our school target at 96%. Persistent absence will be prosecuted with parents being fined!

Finally I would like to remind all of our families that school will close for pupils on Tuesday 20th July and re-open on Monday 6th September. Have a relaxing and safe Summer and see you in September.
