### Appointments

[www.birmingham.gov.uk/schooladmissions](http://www.birmingham.gov.uk/schooladmissions)

There is no paper application available for 2022. Parents can visit their local library to use a computer. The online application site opened on 3 September 2018.

**The application deadline is midnight on  
31 October 2021**

## Behaviour and Rules

A leaflet will be sent home reminding you about our school rules and the rewards and sanctions we use in school.

Please take time to go through this with your child to ensure that they are clear that both school and home have the same expectations.

## Parents Consultations

At the moment, due to Covid safety measures we are not having visitors into school. Therefore, our parent consultations this term will be take place as telephone calls. Every child will have a slot during the day and the teacher will contact the parents to discuss their child's progress and learning. You will receive a letter with more details nearer to the time so that you can make appropriate arrangements to ensure that the call works effectively both for you and your child's teacher.

## Leave in Term Time

Please read the whole school letter regarding attendance and leave in term time which was sent out to parents via e-mail last week. Unauthorised holidays

in term time impact significantly upon children's learning and lead to gaps and them falling behind. This year we will again be implementing the Fast Track process for schools which means parents can be given penalty charges notices for taking children on unauthorised holidays and ultimately can lead to parents receiving a criminal record.
