June 2022 Newsletter

Y6 Leavers Assembly

This year we are very pleased to be announcing the return of our live Y6 Leavers Assembly. The performance will be on Thursday 14th July at 1.15pm. The children have worked very hard on this and are looking forward to performing this for you all.

Pupil Reports.

This year we are again sending out your child's school report by e-mail. If there has been any change in your e-mail address it is essential that you let the office know as soon as possible.

The reports will go out from Monday 11th July over a couple of days. Therefore, if you have children in different classes you may well receive them on different days. Please do not call the office to find out when you will receive it.

Thank you!

Parent Questionnaire.

Please remember to complete your parent questionnaires which will be sent out in the next week. Your feedback is really important to us in order for us to work together to continue to improve our school.

All returns will be entered into a prize draw!!!

Sports Day!

This year Sports Day will be on Monday 11th July. Parents are welcome to attend. As usual, all children will be taking part in the activities on Sports Day so they may come to school wearing their PE kit and trainers on that day.

KS2 will begin at 9am and KS1 at 1.15pm.

End of Term Reminder

Thursday 21st July is a Teacher training Day. The school will close for children on Wednesday 20th July.

'Transition Day'

On **Wednesday 6th July** our Year 6 children will be spending the day at their new secondary schools. Please make sure that they arrive at the time requested as it can be a very nerve wracking day for them. In school, all other classes will move up for a part of the day and will meet their new teacher and spend some time in their new class in preparation for September.

Lunch Ordering

Please can I remind all parents to make sure that they order school meals at least two days in advance. This must be done using the online app.

Thank you!
